

Reattaching a Roller Shade Bottom Rail Instructions

(1.) Take endcaps off of the bottom rail

(2.) At the bottom of the fabric where the green strip is located, fold that strip over

(3.) Take the first fold and fold it over again

(Optional) To secure the fold, staple each end of the folded fabric

(4.) Slide the fabric into the bottom rail, be sure that the fabric is hooked into the tooth to prevent it from falling out in the future

(5.) Once the bottom rail is fully reattached to the fabric, put the endcaps back on each side of the endrail. Tap the endcaps in place to make sure they won't fall off
