ROLLER SHADES

WITH A SINGLE TOUCH

IRVINE SHADE & DOOR

Nite ROLLER SHADES are an economical window treatment for towables.

Front Roll Shade

Back Roll Shade

Y-Bracket D/N Shade

Split Roll Shade

Accessible color-coded knobs allow for easy speed control and limit settings.

Moto-Rise™ ROLLER SHADES feature the most durable motor available for cockpit motorized shades. The 1.5 nm motor is double the torque of competitors' motors. Our motor is also QAI rated, an industry first.

Pleated Doors & Shades

Innovation & Quality

Irvine Shade & Door's revolutionary pleated shower door is an attractive, cost-effective product featuring a compact, space-saving design. Our custom designed hardware system is made of durable, color coordinated PVC and includes an aluminum reinforced top track for extra support and smooth operation. The Irvine Shade & Door pleated shower door is the first product of its type and has remained a mainstay throughout the entire RV industry for many years.

Pleated Shower Door

IRVINE SHADE & DOOR

Pleated Folding Door

IRVINE SHADE & DOOR

Irvine Shade & Door's pleated folding door features a heavy-duty, soil resistant pleated fabric. The custom designed PVC hardware system is color-coordinated to match the fabric and its light-weight construction guarantees easy operation. Our compact, space-saving and easy to install design is ideal for room dividers, closets or privacy partitions.

Pleated Day/Nite Shade

IRVINE SHADE & DOOR

Day and Night Our Shades Set the Standards Others Follow

Irvine Shade & Door pleated shades provide superior design and styling for the RV industry. Our flawless color coordination of fabric, cord, end caps and powder coated aluminum rails achieves a more seamless match with your décor. Irvine Shade & Door manufactures day/nite or nite-only shades from a variety of colors in Bellagio opaque, stitchbound opaque and deco sheer fabrics. Blackout backing is available in select styles. Irvine Shade & Door pleated shades are easily installed with either quick-mount or bracket systems.

Irvine Shade & Door's 1" Aluminum mini blinds have been a quality standard in the RV industry for many years. Our mini blinds are available in cord lock or e-z lift style.
